Housesafe
Inspection Training & Education

Becoming & Defining an Expert Course

An improved approach to Expert Report Writing is now available from Housesafe. "A fact finding mission"

Learn and revise the art of delving deeper into why a dispute has evolved in the first place and how to document your findings.

Housesafe Inspections can help you and your business become more prudent and confident by having further accreditation to conduct a more thorough Expert Report in readiness for the trial/hearing and how to mitigate your risk.

We will train you to become more efficient and integral as an Expert in Dispute Resolution and Expert Report Writing.

Earn 8 CPD points on completion of the course.

Your trainer, Howard Ryan, has been protecting and guiding home owners for over 44 years.

Howard is experienced in all types of property inspections, report writing, mitigation and design, ADR matters and dispute matters.

Howard is accredited and has completed Certificate IV in Training and Assessment with the Australian Institute of Industry & Training.
